Delock Cable USB micro-B male angled > USB 2.0-A female OTG coiled cable

Description

This angled USB micro cable by Delock enables you to convert the USB micro-B port of your mobile device into a USB-A female port. Thus you can connect e.g. HDDs or memory sticks with standard USB port to mobile phones, smart phones, tablet PCs etc. with OTG support. The OTG function enables a direct data transfer between your mobile device and the USB device, without connection to a computer. Due to the coiled cable it can be stored easily and does not take too much space compared to common cables.

Item no. 83354

EAN: 4043619833542

Country of origin: China

Package: Zip poly bag

Technical details

- Connector: USB 2.0-A female > USB micro-B male angled 90°
