

Navilock Laptop Security Cable with Key Lock for Kensington slot 3 x 7 mm or Nano slot 2.5 x 6 mm - Slim

Description

This laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place. The **steel cable** with its **1.8 m** and key lock can be tied easily around objects like chairs, table-leg or anything similar and thus the device will be saved against theft. Because of the small design of the lock, this security cable is ideal for slim netbooks.

1,8 m

Kensington slot compatible

This laptop security lock is compatible with the standard **Kensington slot**. The Kensington slot is the 3 x 7 mm opening on the housing. On many devices this opening is marked with a lock symbol.

HP Nano slot compatible

Due to the special function of the lock, where the latch (T-lock) adapts to the lock, it is also compatible with the HP Nano slot. The **HP Nano slot** is the 2.5 x 6.0 mm opening on the housing. On many devices this opening is marked with a lock symbol.

Locking up without a key

Due to the special mechanism of the laptop lock, it is possible to lock up without a key. The appropriate key is only needed for unlocking.

Item no. 20931

EAN: 4043619209316

Country of origin: Taiwan,
Republic of China

Package: Retail Box
