

# Delock Cable Gland with strain relief and bending protection 90° angled PG16 black

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

#### Additional protection through strain relief

The screw-on strain relief fixes the cable and protects it from excessive bending, e.g. in machinery. The cable remains in their original position even during vibrations and they cannot fall out.

#### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

#### **Multifunctional application**

The robust design is ideal for use in automation, the robotics industry and machinery.

## **Technical details**

- Thread size: PG16
- Thread length: 10 mm
- Spanner width: 27 mm
- Protection class: IP68
- Cable diameter: min.: 10 mm max.: 14 mm
- Operating temperature: -40 °C ~ 100 °C
- Material: plastic
- Colour: black RAL9005

# Package content

Item no. 60597

EAN: 4043619605972 Country of origin: China Package: Zip poly bag

• Cable gland
