

## General

|           |                  |
|-----------|------------------|
| Función : | Conectar y listo |
|-----------|------------------|

## Interface

|            |                      |
|------------|----------------------|
| conector : | 1 x USB Tipo-A macho |
|------------|----------------------|

## Technical characteristics

|                  |                             |
|------------------|-----------------------------|
| Bandwidth:       | 2,4 GHz                     |
| Battery type:    | 1 x AAA                     |
| Operating range: | ca. 30 m                    |
| Fuente de luz:   | Laser Klasse 2 630 - 680 nm |

## Physical characteristics

|           |           |
|-----------|-----------|
| Longitud: | 141 mm    |
| Width:    | 20 mm     |
| Height:   | 16 mm     |
| Color:    | antracita |
