

Delock RJ45 Modular Plug Cat.6A for self-assembly with robust cable plug housing coupler and protective cap suitable for Delock feed-through couplers 67061 and 67062 IP66 dust and waterproof

Description

This RJ45 plug by Delock can be used to assemble installation cables.

With cable plug housing and protective cap

The housing can be used in switch cabinets or distribution boxes for feeding through network cables. The protective cap protects the plug from damage and dirt.

IP66 dust and waterproof

In combination with the Delock feed-through couplers 67061 and 67062 the housing offers increased protection against moisture, damage and dirt for outdoor cable connection.

Item no. 67067

EAN: 4043619670673

Country of origin: China

Package: Poly bag

Technical details

- RJ45 plug
- Cat.6A specification
- Built-in hole Ø: 25 mm
- For solid or stranded wire (26 - 22 AWG)
- For cable diameter from 4.5 - 6.5 mm
- Protection class: IP66
- Shielded
- 2-prong contact
- Contacts gold-plated: 1.27 µm / 50 µin
- Material: zinc diecast / plastic
- Dimensions (LxD): ca. 67 x 25 mm

Package content

- RJ45 plug
- Feed-through coupler
- Rubber seal
- Rubber holder
- Screw fitting
- Cable manager
- Protective cap
