# Delock RJ45 Cable PROFINET SF/UTP 3 m

Description

This network cable by Delock can be used to connect different networking devices, e.g. a NIC to a switch or a patch panel.

PROFINET standard
The cable is particularly characterised by the PROFINET standard and its **strain resistance** from the connectors and the cable. The robust jacket made of **PUR material** protects from excessive bending, e.g. in moving machine parts and drag chains.
