Delock Data and Charging Cable USB Type-A to Lightning™ for iPhone™, iPad™, iPod™ angled with stand function black 1.5 m MFi

Description

This USB data and charging cable by Delock is compatible to iPhone™, iPad™ and iPod™ with 8 pin Apple Lightning™ connector. Thus it supports easy and quick charging and data transfer of the iPhone™, iPad™ or iPod™.

Stand function

The special feature of this cable is the **integrated stand function** on the angled 8 pin Apple Lightning™ connector side. The extension of the connector housing allows the connected smartphone to be brought into a slightly angled position during the charging process.

MFi Certified

The MFi certification and the original Apple C189 connector guarantee full compatibility to all devices with Lightning™ connector.

Note

The stand function applies only for smartphones with Lightning™ interface.
