

# Delock Coiled Cable Extension 3.5 mm 3 pin Stereo Jack male to Stereo Jack female with 6.35 mm screw adapter 2 m

## Description

This stereo jack cable by Delock enables the extension of a 3.5 mm or 6.35 mm stereo jack connection. The included stereo jack adapter can be screwed onto the 3.5 mm stereo jack male connector and supports a stable connection. Thus this cable can be also used for connections of audio devices with 6.35 mm interface.

#### **Special Cable shielding**

The outer TPU material of the cable jacket makes it much more flexible and resilient when using it.

#### **Coiled Cable**

The coiled cable can be stored easily and does not take too much space compared to common cables.
