

# Delock Keystone Crimping Tool for Delock 86205 and 86179

## Description

With this tool by Delock you can quickly and easily connect a network cable to the RJ45 Keystone module 86205 or 86179. The single wires need to be pre-assembled in the module, then the module is inserted in the tool and pressed. Thereby all the wires are simultaneously contacted and the excess cable ends are cut off.
