

Delock USB 3.2 Gen 1 Type-A built-in connector with protective dust cap

Description

This USB built-in connector by Delock can be used in a switch cabinet or distribution box to connect two USB plugs together.

Dust cover

The dust protection cap protects the female port from dirt or damage when not in use. The built-in socket thus remains ready for use in the long term, especially in dusty environments and in industrial sector.

Item no. 86966

EAN: 4043619869664

Country of origin: China

Package: Zip poly bag
