

# Delock USB 3.2 Gen 1 Type-A to PCB built-in connector with protective dust cap

#### Description

This USB built-in connector by Delock can be used in a switch cabinet or distribution box for connecting single wires with open cable heads at the PCB solder connections.

#### **Dust cover**

The dust protection cap protects the female port from dirt or damage when not in use. The built-in socket thus remains ready for use in the long term, especially in dusty environments and in industrial sector.

Item no. 87821

EAN: 4043619878215 Country of origin: China Package: Zip poly bag

#### **Technical details**

- Connectors:
  - 1 x SuperSpeed USB 5 Gbps (USB 3.2 Gen 1) Type-A female
- 8 x PCB solder connection
- Built-in hole Ø: 22.5 mm
- · Housing material: plastic
- · Colour: black
- Data transfer rate up to 5 Gbps
- With protective dust cap
- Dimensions (LxD): ca. 32 x 22.5 mm

#### Package content

· Built-in connector
