Delock Cable RJ45 plug to RJ45 jack Cat.6A for built-in with M20 thread and housing IP68 dust and waterproof 25 cm black

Description

This network cable by Delock can be used to connect various devices. The built-in jack can be attached, for e.g., to a housing with a suitable cut-out.

With additional housing

The housing can be screwed to the female port and enables a waterproof network connection, e.g. outdoors.

IP68 dust and waterproof

The sealing cap protects the RJ45 female port from moisture, damage and dirt in outdoor areas when not in use.
