Delock Telephone Cable RJ10 plug to RJ10 jack with connection cable 30 mm transparent / white

Description

This **telephone cable untangler** by Delock can be inserted between the receiver and the cable to prevent the cable from tangling. The cable can be **freely rotated 360°** with the adapter and will not get tangled. This prevents loose contacts and cable breakage.

With connection cable

The short connection cable integrates perfectly into the receiver connection cord.
